### Abstract

In 1991, the English Department of Gifu City Women's College (GCWC) added a new subject, "English Study Abroad" to the curriculum, for the purpose of making use of international exchange in an English program. As a result, GCWC exchanged information with Thomas More College (TMC) in Cincinnati, Ohio. The aim of this paper is to make clear the problems concerning the creation of an international exchange program. The correspondence between GCWC and TMC from January 30, 1992 to June 16, 1992 was explained in the paper titled "Theory and Practice of International Relationship between Colleges from the Point of College English Education" published by Gifu City Women's College. In this paper, the correspondence between two colleges from March 3, 1993 to July 12, 1993 will be explained to get some clues as how to further promote international and cultural exchange between Japanese and American colleges.

岐阜市立女子短期大学はアメリカのシンシナティ市郊外に位置するトマス・モア大学の協力を得て、平成4年度(1992)「海外英語演習」科目を開講することが出来たのであるが、どのような経緯でトマス・モア大学との国際交流に辿り着くことが出来たのか。この点に関しては、「大学英語教育における国際交流の理論と実践」(岐阜市立女子短期大学研究紀要、第52輯、2002)の中で、本学とトマス・モア大学との間でやり取りされた平成4年(1992)1月から6月までの文書を紹介しつつ、トマス・モア大学との国際交流に至るまでの経緯を明らかにした。トマス・モア大学との国際交流を実践に移していく際に生じた様々な問題点を解決しながら、平成4年の夏、岐阜市立女子短期大学英語英文学科はアメリカのトマス・モア大学にて第1回のサマー・プログラムを実施することが出来た。本学とトマス・モア大学間の国際交流の一環としてのサマー・プログラムの実現のために、当時の小瀬洋喜学長の強いリーダーシップの存在が大きく貢献していたことは言うまでもない。

トマス・モア大学との国際交流を永続的、安定的なものとするためには双方の大学が互いに相手の大学の事情をよく理解し、尊重し、互いの立場を認め合うという姿勢が必要である。この点については、これまで国際交流についての知識と体験に極めて乏しかった本学の立場をトマス・モア大学は十分に理解してくれ、本学との国際交流に終始一貫して協力的、友好的であった。大学間の国際交流に関しては、このような点を念頭に推し進めていくことが、双方の今後の大学間交流を実りある有意義なものとするために必要であると言えよう。

大学英語教育における国際交流の実現のために、岐阜市立女子短期大学英語英文学科はカリキュラム改正をして平成4年4月から専門教育科目「海外英語演習」を新しく開講した。「海外英語演習」の開講は、国際交流を英語教育の中に活かしていくための小さな一歩に過ぎない。この小さな一歩をさらに大きく前進させていくためには、トマス・モア大学と本学との間に姉妹校締結の実現が必要である。「海外英語演習」の開講で始まった国際交流のための第一歩が、岐阜市立女子短期大学とトマス・モア大学の姉妹校締結に至るまでに遭遇した問題点を、双方の大学間でやり取りされた平成5年3月から7月までの文書を紹介しながら明確にし、大学英語教育における国際交流の今後のあり方を検討したい。

( 2 )

大学間の国際交流には、双方の大学学長の国際交流に対する深い理解と強いリーダーシップの存在が必要であることはすでに述べた。平成5年4月から本学の学長が新しく替わることになった。幸い、4月からの新学長も、これまでの本学とトマス・モア大学との交流の経緯、および今後のトマス・モア大学との国際交流の強化、さらには双方の大学の姉妹校締結に関する事等に理解を示され、積極的な支援を約束された。このことを受け、本学はトマス・モア大学に対して、学長が交替すること、4月就任予定の喜多村一夫新学長も本学とトマス・モア大学との国際交流に深い理解を示していること、平成5年夏の第2回サマー・プログラムの日程に関する事等を中心とした内容の文書を送った。

 Director, International Studies  
 Ms. Mary S. Campbell  
 Director, International Services  
 Thomas More College

Dear Dr. Tenkotte and Ms. Mary S. Campbell:

I write this letter to let you know of several pieces of important information we have now in order to develop our sister school project.

Firstly, I must inform that our present president, Dr. Youki Ose, is supposed to resign at the end of this March by the result of the recent election. The new president, Doctor, Kazuo Kitamura, will be appointed to the position, on April 1st, '93, by the new Mayor of Gifu.

The President to be, namely, Dr. Kitamura, as well as Dr. Ose, is positive to promote this project of sister school between Thomas More College and Gifu City Women's College and, in general, agrees to the content of the Articulation Agreement. I believe I can expect to receive the signature of the new president for the Agreement this coming April.

As for your coming to Gifu this summer, which we are greatly looking forward to, I have been told by the top that it is almost a certainty that the four day's accommodation expenses for two persons will be budgeted for this coming fiscal year. Anyway, I am happy to let me know how many days you are going to stay in Gifu or in Japan?

We are planning to carry out the Summer Language Program this year the same as last year.

Below is the Travel Schedule of Summer Language Program in 1993:

7/16/Fri	Departure: Nagoya	18 : 35	DL074
	Arrival: Portland	10 : 30	
	Departure: Portland	12 : 55	DL1426
	Arrival: Salt Lake	15 : 37	
	Departure: Salt Lake	16 : 32	DL668
	Arrival: Chicago	20 : 20	
7/17/Sat	Free Time in Chicago		
7/18/Sun	Departure: Chicago	11 : 25	DL3004
	Arrival: Cincinnati	13 : 50	

大学英語教育における国際交流に関する一考察

Kentucky International Airport. We believe there is one small error. You depart Sunday from Chicago, 7/18. We will meet you there with a van or bus. We will have a Japanese interpreter there, probably Teruko McGuire.

Dr. Cleves and Dr. Tenkotte will reserve two seats on Delta 745 departing Cincinnati on Sunday, 8/8 at 9:07 a. m. It is less expensive for us to reserve their( Dr. Cleves' and Dr. Tenkotte's ) airfare in the United States. Of course, Thomas More College will pay for the round-trip flight of both Cleves and Tenkotte. They must return to Thomas More College for a freshman convocation on August 19. That means, they will depart Japan probably on Wednesday, August 18, Japan time. They will then arrive in Cincinnati on Wednesday, August 18, Cincinnati time. They hope to stay in Japan 9 nights. Perhaps, they could stay 4 nights in Gifu, and then they could make further plans to visit Kyoto or Tokyo. It is fairly certain that our Japanese instructor, Kazuya Sato, will arrange a visit to Toyota City.

We are also sending an application form for the Summer English Language Program. Please feel free to photocopy this as needed. We look forward to working with you again this summer. We thank Dr. Ose, and also Professor Yamamoto, both of whom have worked very diligently on the many projects between Thomas More and Gifu City Women's College. We also wish to thank Professor Yoshida, who has likewise worked very hard to enable our colleges' relationship to develop.

Sincerely,

喜多村一夫新学長は、前学長同様にトマス・モア大学との国際交流に深い理解を示しているという内容の文書に対して、トマス・モア大学から次のような返信が届いた。

April 6 ,1993

Dr. Kazuo Kitamura  
President  
Professor Tsuneyoshi Yoshida  
Chairman, English Department  
Gifu City Women's College

Dear Dr. Kitamura and Professor Yoshida:

On behalf of our President, Fr. William Cleves, and our Dean, Dr. Raymond G. Hebert, Thomas More College congratulates you on your new position as Chair of the English Department at Gifu City Women's College. We look forward to your visit this summer, and we will attempt to do everything possible to make it a pleasant one for you and your students.

We understand that you and your students will be arriving at Cincinnati/Northern Kentucky International Airport on Sunday, July 18, 1993. The airport is only 10 minutes from Thomas More College. We will meet you there with a bus. We will also have a Japanese interpreter there.

We have enclosed some information about our Summer English Language Program, as well as an application form. Please feel free to duplicate( photocopy )as many as you need. The total cost of the class, room and board( 3 meals per day )for 3 weeks is \$ 1, 700. Students are responsible for their own airfare and insurance. You might wish to consult Professor Kenichi Yamamoto about airfare and insurance costs. He did a very good job last year in making these preparations.

As you probably know, Fr. Cleves and Dr. Tenkotte will be returning with you and your students to Gifu on Sunday, August 8, 1993 aboard Delta 745. We will arrange our own airfare. We hope to spend 4 nights in Gifu.

You requested a copy of the daily schedule. We are sending by air mail a copy of last year's souvenir program booklet, and we shall follow a similar format( visiting Probably the same places )this year. We cannot at this date provide specific details, because:

- 1 ) Our planning depends upon the number of students.
- 2 ) Our planning depends upon weather conditions. For example, we would not visit Paramount's Kings Island Amusement Park on a rainy day, but would reschedule it for sunny day. This requires flexibility in scheduling.

We assure you a program of the highest quality, as was last year's. We look forward to your suggestions and ideas.

大学英語教育における国際交流に関する一考察

For every 9 or 10 students enrolled in the Summer English Language Program, Gifu City Women's College can send 1 chaperon who receives free room and board. You are not obligated to send one for every 10 students, but you may if you desire. It is our gift to you.

We hope that this information is helpful to you, and we look forward to your reply.

April 7 , 1993

Professor Tsuneyoshi Yoshida  
Chairman, English Department  
Gifu City Women's College

Dear Professor Yoshida:

In our April 6<sup>th</sup> fax to you, we forgot to mention one important fact. Last summer, 11 of the 17 Gifu students chose to enroll for 2 official credits for ESL: English as a Second Language. This year, we offer the same option. The 2 credits, as last year, cost \$ 360 additional tuition. The students may earn official credits if they desire, and we will give them a grade for the class ( A, B, C, D or F ). Or, they can simply pay the \$ 1, 700. It is their choice.

Also, I have enclosed a copy of our fax to you, as well as 35 copies of the student brochures/application form. Thank you for your interest. Please write or fax if you have any questions.

Dear Dr. Tenkotte and Ms. Campbell:

Thank you for your fax of 20 April 1993. We understand that Dr. Cleves and Dr. Tenkotte will be arriving at Nagoya Airport on Monday, August 9, 1993. We will meet you there. We will reserve a hotel in Gifu City for four nights ( August 9, 10, 11 and 12 ) including meals for you. Gifu City Women's College would be happy to assume the costs of room and board of you. We will attempt to do everything possible to make your stay in Gifu a pleasant one.

By the way, I have looked over the Articulation Agreement ( Final Draft ) of 19 October 1992. I have one suggestion to offer about Memorandum on page 4 and 5. Article 6 on page 5 is directly related to Article 1 ( a ) and ( b ) on page 4. Therefore, I suggest that Article 6 should be put after Article 1 ( b ) as Article 1 ( c ). We want to make clear that we will need much time to examine the estimated costs of the proposed faculty exchanges before engaging in the exchange of professors. That is the reason of my suggestion. Of course, I agree to the exchange of professors and research scholars. As for other articles, I think they are very good. We look forward to hearing from you soon.

Such a student would need to complete 42 additional credit hours in International Studies classes, as outlined, in addition to 13 credit hours of Thomas More College additional core requirements, or a total of 44 credit hours. The 55 credit hours, divided among four semesters ( two years ), would entail the student enrolling in an average of 13-14 credit hours per semester for two years.

A list of recommended courses, taken from page 1-4, will be forthcoming, for advising purposes of Gifu City Women's College students.

We are very sorry to be late in sending you back the copy of the articulation agreement. As you know, our school is supported financially by Gifu City, so we had to make Mayor of Gifu City, Mr. Isamu Asano, understand sister relationship between Thomas More College and Gifu City Women's College. Mr. Asano agreed completely to the relationship between our two institutions. So we signed both copies of the articulation agreement and have sent you back the other signed copy by air mail already. Dear Dr. Kitamura and Professor Yoshida:

Thank you for your fax of 27 May 1993. We will be happy to receive your 19 students, and Professor Yoshida, on 17 July 1993. Also, we received the signed copy of the Articulation Agreement. Thank you very much.

We have a few questions:

- 1 ) Last year, Professor Yamamoto faxed the completed applications for the Summer English Language Program to Thomas More. This gave us the opportunity to begin practicing pronunciations of the names, etc. Will you perhaps be faxing or mailing the applications in advance?
- 2 ) Will Professor Yoshida be traveling with his wife? If so, Thomas More College will give her free room, board and field trips.
- 3 ) As Fr. Cleves and Dr. Tenkotte Prepare for their visit to Gifu, will they need to plan their activities for August 9, 10, 11, and 12? Or will you schedule certain meetings and activities, etc? After leaving Gifu, they will travel to some other places in Japan. So it might be helpful to know a general outline of what they will do in Gifu. It will help them plan the rest of their trip.

As always, many thanks for your correspondence. We look forward to receiving you on 17 July.

Dr. Kazuo Kitamura  
Professor Tsuneyoshi Yoshida  
Gifu City Women's College

Dear Dr. Kitamura and Professor Yoshida:

Thank you for your fax of 14 June, with the applications of the students. We look forward to meeting Professor Yoshida and 18 students on 17 July.

Fr. Cleves and Dr. Tenkotte would like to suggest a couple of places that they would hope to visit while in Gifu:

1 ) St. Mary High School in Gifu ( telephone number, 0582-29-1102; fax0582-29-3029 ) On Thursday, 10 June, Mrs. Teruko McGuire and Dr. Tenkotte called St. Mary High School in Gifu to tell them of their( Cleves and Tenkotte )visit in August. Since Thomas More College is a Catholic college, we would like to visit this Catholic high school. If this is satisfactory to you, could you make the arrangements on our behalf?

2 ) We noticed from Professor Yoshida's application that he attended Nanzan University, a Catholic university. We have already spoken with the assistant to the President about our upcoming visit. The President is Reverend Father Hans Jurgen Marx, a German-born priest. Fr. Cleves is fluent in German. We are interested in seeing a Catholic university, if possible, could you please make the arrangements?

3 ) We would like to visit, if possible, with Nobutaka Ishigami and Machiko Yasuda of Gifu Higashi High School. Dr. Tenkotte met them in August 1992 in San Francisco at San Francisco State University. It might be nice to visit a public high school. ( see photocopies of business cards, next page )

We do not wish to trouble you with further arrangements. These are merely suggestions, provided that there is time. As educators, we are interested in seeing the whole spectrum of Japanese education, including public and private. We understand that school will not be in session during our visit, but it might be interesting to see the school buildings and to meet with an administrator.

Thank you for all of your kindnesses.

Thank you for your three suggestions about the schedule during your stay in Gifu. We have already decided the general outline of your daily schedule. As for visiting Nanzan University, we are very sorry to have time in the schedule to go to the University. As for visiting the two high schools, we will try to find time by changing the schedule a little. It may be possible because the two schools are in Gifu City. Dear Dr. Kitamura and Professor Yoshida:

Many thanks for your fax of 2 July 1993 requesting some personal history of Reverend Dr. Cleves and me. I am faxing shortened versions of our vitae. I have circled the important points.

It might be of interest that Rev. Cleves and I are cousins. Our ancestors were from Germany and settled in Cincinnati and Northern Kentucky in the 1800s. Cleves studied in Rome for the Roman Catholic priesthood, where he earned his doctorate in Philosophy. I earned my doctorate in History from the University of Cincinnati, where my grandfather and father attended. Both Rev. Cleves and I have traveled rather extensively.

I hope this useful. Rev. Cleves is currently on vacation, so I am answering this correspondence. I am joyfully awaiting the arrival of your students on July 17 th. On behalf of Rev. Cleves, I express our thanks for your thoughtful planning of our upcoming trip to Gifu. We are both looking forward to it. Meanwhile, I am arranging what I hope will be a wonderful schedule for your students.

大学英語教育における国際交流に関する一考察

Dear Dr. Kitamura and Professor Yoshida:

Greetings from Thomas More College. We have had record-breaking high temperatures and high humidity for this time of year in Cincinnati/Northern Kentucky. We wish to confirm final arrangements before you leave.

1 ) We will meet you with our bus and van on Saturday, July 17, 1993 when you arrive at Cincinnati/Northern Kentucky International Airport at 12:05 p. m. aboard Delta Airlines #475. Dr. Paul Tenkotte, Mrs. Campbell, Mrs. Teruko McGuire, Mrs. Heidi Zint, and Mr. And Mrs. Hobie Race will meet you and your students. Mrs. Teruko McGuire will be available to translate between English and Japanese.

2 ) The students should bring a check for \$ 1, 700, plus \$ 360 for 2 credits, or a total of \$ 2, 060. You mentioned in your fax of June 1993 that all 19 students were interested in the 2 additional credits. In our fax to you of 7 April 1993, we quoted the price of \$ 360 for the 2 credits.

3 ) As last year, 2 students will each occupy one dormitory room. If they prefer, they may choose their room partners before they come. You can let us know by fax before you leave, or if you prefer, on your arrival.

4 ) We suggest that Hozuki Uemura share a dormitory room with Aiko Okamoto, another Japanese women student who will also be attending Thomas More College for the Fall Semester. The 3-week summer English Language Program will consist of your 19 students + Aiko Okamoto, who is from the city of Chiba.

5 ) We will be planning to provide homestay for Hozuki Uemura from August 7 until August 19.

6 ) The dormitories are air-conditioned, and our bus is air-conditioned. The students may wish to bring some casual clothes, one nice dress or outfit for a group photograph and a nice banquet, swimsuits for the pool, tennis rackets, camera, medicines, etc.

7 ) The dormitory rooms will have phones set up for long distance calls. However, the students should either make collect calls to Japan or credit card calls. The college cannot bill students for any other long distance calls.

8 ) We are completing the schedule now, and have some very exciting new additions since last year.

We look forward to seeing you soon. May you have a safe and pleasant journey.

Sincerely,

本学とトマス・モア大学は以上のような文書のやりとりを通して、第2回目のトマス・モア大学でのサマー・プログラムの実施に至るのである。以上、これまでみてきたトマス・モア大学とのファックス文書によるやり取りをとおして第2回目のサマー・プログラムが実施された。上記サマー・プログラムには19名の学生が参加し吉田恒義教授が引率した。サマー・プログラムの終了後は、トマス・モア大学のクリーブズ学長とテンコッティ博士を本学に迎えて、姉妹校締結のための調印式を執り行ったのである。

( 3 )

岐阜市立女子短期大学英語英文学科はトマス・モア大学の協力を得て、平成5年度、第2回サマー・プログラムを実施することができた。引率教員の予算に関しては平成4年度は対応に大変苦慮したが、この件に関しては岐阜市当局の理解が得られ、平成5年度以降は毎年1名の引率教員の海外出張旅費が認められることとなった。サマー・プログラムの安定した継続の基盤が与えられたといってもよい。

国際交流を英語教育の中でもっと強力に活かしていくためには、本学卒業生のトマス・モア大学への3年次編入学の実現が必要であった。双方の大学間の国際交流を表面的なレベルのものとして捉えなくなかったからである。トマス・モア大学と本学との姉妹校締結文書の中では、特に本学卒業生のトマス・モア大学への3年次編入学を重要項目として位置づけた。本学で履修した科目の単位数を出来るだけ多くトマス・モア大学で認定してもらえるように、双方の大学が納得できるまで科目内容について情報交換した。本学はトマス・モア大学との綿密な情報交換を通して、本学での履修単位数60単位のうち51単位をトマス・モア大学卒業に必要な必修単位数として認めてもらうことが出来た。このことはすべて今まで見てきたように姉妹校締結文書の中に明記した。このことが本学卒業生の3年次編入学をより現実的なものにすると同時に、卒業後の留学を考えている学生には英語専門科目をしっかり履修したいという強い動機付けとなったことは言うまでもない。

より深いレベルでの国際交流は、姉妹校締結文書の中でも項目として挙げたように、双方の大学間の教員交換の実施であろう。この件については、双方の大学における教員人事・教員給与の問題が深く関わってきて、今後の課題と言える。
